Pastor's Note

January 29, 2022

Welcome to the New Market Seventh-day Adventist Church! And thank you for joining us in the worship of our Lord and Savior, Jesus Christ. Whether you are with us in-person or online, we wish you God's deepest blessings during your stay with us today and beyond.

Okay, here's a silly question for your consideration: *"Have you ever wished you could take a break?"*

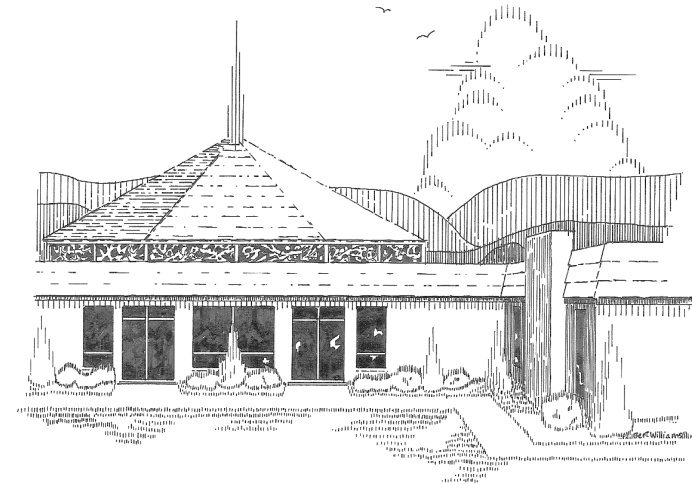

Actually, that's beyond silly, isn't it? Given all that has transpired in the last two years, "taking a break" has at some point or other been the dream of about seven billion people all over the planet! We're tired, worn out, over-worked, under-rested, and ultra-stressed. And, we are hoping beyond hope that the last Greek letter we'll ever have to learn is "omicron"!

So . . . what's the answer to our weariness? Is there an answer to our weariness?

Yes, there is. Many answers, in fact. And today during the sermon time, we will take a good look at one of the best. Join us!

- Pastor Shane
