Pastor's Note

April 10, 2021

Reality TV first surfaced as a distinct genre in the early 1990s and has taken the world by storm. The Genre usually follows unscripted storylines with real-life situations and often has unknown people rather than professional actors or celebrities in leading roles. If only we could see the real drama you and I are part of! Satan will do everything possible to conceal the real drama we all are involved in a drama where our choices lead to life or death. Join us as we break down the Four-Stage drama.

Praise God for this time to renew our faith in Jesus and restore our love for one another. If the cares of this world have burdened us down and caused us to take our eyes off Jesus, I pray that we will adjust our priorities to what matters most during this Holy Communion. We are pilgrims, passing through this earth; this world is not our home. As Pastor Buz constantly tells us all, we are at the toenails of time, right at the edge of the image in Daniel 2. May this service draw us deeper into God's love and a great longing for Jesus' soon second coming.
