

- ROK Ministries is gearing up for the 2022/2023 school year! This is our 19th year!
- For those of you who don't know, ROK Ministries is all about reaching out to our High School Students through a personal relationship. This is the biggest ministry our church has with over 100 volunteers. There are over 800 church members and over 200 High School Students, so there is plenty of opportunity to participate in this ministry.
- We have several areas in this ministry you can participate in:
 - ROK FRIEND: Every high school Student (ROK Student) is matched with a church member (ROK Friend) for the school year. The ROK Friend reaches out to the student through small gifts, notes, coming to activities, possibly taking them shopping or to your house. This school year they are anticipating around 200 students.
 - COOKIE MONDAY: Monday before homeleave. We need bakers about once a month to bake goodies that we hand out to the students during lunch the monday before homeleave. This is one of the kids' most favorite event.
 - 2 FRIDAY NIGHT VESPERS: Fall Meet & Greet in October where students meet their ROK Friend and Winter International Vespers in February where we highlight a country.
 - ROK HAY RIDE: Supper, Games, Hay Ride, Vespers
- We have forms for the church members to fill out to show your interest. Please fill out and turn in to the offering plate, or place in the ROK mail bin outside of the church office. For those watching online, the form is available on our church website at newmarketadventist.org.
