Flag Camp Covid Policy 2021

Keeping campers safe is one of Flag Camp's top priorities. If a camper is experiencing a cough, a fever, or two or more of the following symptoms, we request that they do not attend camp that day:

- Chills
- Headaches
- Muscle pain or Fatigue
- Nasal congestion
- Sore throat
- Nausea, or an upset stomach

Furthermore, if a camper has been exposed to Covid-19, they must not return to camp until they have quarantined for seven days and there is record of a negative Covid test administered on day five or later.

Our response to Covid-19 has been created with care to keep those participating healthy. The guidelines are as follows:

- Staff and campers will have their temperatures taken each morning upon arrival.
- Staff members will distance 6 feet from campers as they teach classes and lead in activities
- Campers and staff will wear masks when in an enclosed space (cars, etc.)
- All who are eating will maintain 3 foot distancing from non-family members throughout the lunch period.
- Hand sanitizer will be available at each activity station throughout the day.

Masks will be provided by Flag Camp for campers should they need them.

Thank you for keeping our campers and staff safe!
