Guest Speaker Next Week

Millions of Americans have seen the movie "Sound of Freedom." As a result, the topic of human trafficking is of significant interest to many of your friends, relatives, co-workers, and neighbors. You can invite them to join you on Sabbath, September 23 to learn how they can take a stand and make a tangible difference in the fight against human trafficking. Tom Evans, CEO of Child Impact International, will be sharing how you can help shine a light and be part of the solution. He will also give a presentation on Sabbath afternoon at 2 P.M. in the sanctuary.
