### Some Things to Remember

- If you have risk factors for COVID-19 (are over 65, have diabetes, cardiac disease, lung issues, etc.), for the sake of your health, we regretfully ask you to consider staying home. (We will not send you home if you do come, though—the choice is yours.)
- Bring your own chair or blanket to sit on, water bottles to drink from, and shade-makers (umbrellas, hats, etc.—the sun will be out!)
- Parents: If you are concerned about contact between your children and other people, please remember that there will be no children's programming, and your children will be under your care the entire time.
- Please observe proper social distancing (six feet)
- Mask-wearing is encouraged by the Virginia governor's office, but not required
- There will be singing!
- If the weather turns bad, the service will be cancelled –no alternate indoor location is planned. Cancellation will be announced via our texting service (email [reedr@pcsda.org](mailto:reedr@pcsda.org) to sign up)
- NOTE: *There will be no restrooms available except for emergency use. Please do not plan on using the restrooms, as Commonwealth restrictions would then require us to carry out extensive sanitization protocols afterwards. (Blessedly, the service is only one hour long. 😊)*
- ALSO NOTE: A link to a survey will be sent to all those who have subscribed to the church's texting service. This survey will give you the chance to share your thoughts on how the worship service/schedule for the day/etc., went.
- We are excited about this experiment! If things go well, we will continue holding the service on future Sabbaths, weather permitting.

If you have any questions, don't hesitate to contact me at [shane3146@gmail.com](mailto:shane3146@gmail.com).

Looking forward to seeing you this Sabbath!

- Pastor Shane
